About Us

As one of the Northern Ireland's up and coming graphic design and printing companies, Leathem Graphic Design has established an enviable reputation for affordable corporate graphic design, photography and printing solutions.

Since establishment in 2007 we have combined the best design skills, like an eye for typographic detail, with expertise in computerised design and multimedia. Our focus is always on understanding the communications process, rather than a quick fix.

Our clients work directly with a designer / photographer which cuts out confusion and establishes a better working relationship; we know that service and attention to detail are as important as design skills. If you can't dedicate yourself full time to the design of your print request or photography, don't worry. We make the process as transparent as possible and keep to deadlines and delivery dates.

How do we do it?

By streamlining production processes and using the latest technology we are able to make savings which we pass directly onto our customers. This enables us to produce full colour print at competitive prices. Quality is never compromised.

How to place an order

Pay us a visit in person, or you can order by phone, email or post. Our design team can advise on design and layout as well as the best solutions to suit your budget.

Photography

We now have the facilities of an in-house professional photographer who offers services in photo décor, portraiture and lifestyle photography and photo restoration. Our photography service is given the same attention to detail as our Graphic Design Service.

Turnaround

All our products have a turnaround of no later than 5 working days (subject to availability). Simply approve your artwork and your print will be ready for collection or delivery within this timescale.

Photography Services

Services that we can offer our customers include

- ✓ Corporate Photography
- ✓ Photo Décor
- ✓ Lifestyle Portraits
- ✓ Modelling Portraits
- ✓ Photograph Restoration Services
- ✓ Photos printed on mugs, mousemats, coasters, keyrings etc.

Photo Décor

We offer a variety prints of local landscape scenes in both colour and black and white. These exclusive photographs can brighten up your home or office and can be provided either framed or unframed. Frames are hand made and made to last. Various scenes are uploaded to our website on a regular basis. Prices from £8 per 8 x 10" sized print

Lifestyle and Modelling Portraits

We provide a lifestyle and modelling portrait service where we can shoot your portraits in your family home or on location at a place of your choice. Our prices are extremely competitive. We can offer family portraits in your own home for £30 including two A4 sized prints on archival quality paper. Larger sized prints or canvas can be provided at an additional price.

Modelling Photoshoots & Portfolios

Modelling portfolios start at £50 for 3 simple portfolio photographs taken at your home. We can also carry out photoshoots at a variety of localities.

Charges for these are dependant on location of shoot, time spent on photography and editing and the number of prints required. Prices can range between £50 and £100 with framed prints at an additional charge. Please ask for further details

Photograph Restoration Service

We can now provide restorations made from negatives, slides or photos, colour or black and white.

Within this service we professionally :

- ✓ Restore faded colour, brightness and contrast
- ✓ Remove cracks, scratches, writing marks etc
- ✓ Restore missing areas or torn corners
- ✓ Crop and resize images for modern frames

We will not damage your original. All work is completed on a high resolution scanned copy.

When repaired the restored image is printed on fade resistant professional quality archival photo paper.

Prices for photo restoration range from £10.00 to £30.00 depending on amount of restoration to be carried out. First print free of charge.

For further information about our photography services or to see our full range of Photo Décor images please visit our photography website
